

## Eligibility Requirements

This is not an open solicitation. Only owners of those truck(s) listed in the attached application may apply for a grant or loan assistance funding.

### CURRENT TRUCK

The completed application must show that the truck listed in the application meets the following eligibility requirements:

- Vehicle Identification Number (VIN) matches the pre-printed number in Box 22 of the truck application(s) you received in the mail. No additional trucks will be accepted.
- MY1994-2003 diesel engine.
- Registered in the California Drayage Truck Registry (DTR).
- Retrofitted with an ARB-verified Level 3 Plus diesel particulate filter (DPF) by June 30, 2010.
- Currently in drayage service and visited California ports and/or rail yards at least 12 times in 2011.
- Original manufacturer's gross vehicle weight rating (GVWR) of 33,001 lbs. or greater.
- Registration documentation which demonstrates a consistent pattern of operation in California for the past 2 years.
- At least 75% of the annual miles traveled for the past two years were within California.
- At least 5,000 miles of travel within California each year for the past two years.
- Grant recipient must surrender old truck in legal operating condition with working diesel particulate filter and clear title (no liens) prior to payment of grant funds.

### REPLACEMENT TRUCK

The replacement truck being funded by the Program must meet the following requirements:

- Original manufacturer's GVWR 33,001 lbs. or greater.
- Less than 500,000 miles with odometer verification at post-inspection.
- Has a minimum 1-year or 100,000-mile major component engine warranty that covers parts and labor.
- Engine meets the 2007 emissions level of 1.20 g/bhp-hr or less NOx (FEL and CERT values) and 0.01 g/bhp-hr or less PM (CERT value). Engine certified under the heavy-heavy duty designation for on-road use.
